Dear Sir / Madam

Amsterdam 11-11-2022

We recently noted that bilingual place names are missing. The Strasbourg treaty -also online on <https://rm.coe.int/168007cdac> - is clear on this :

Article 11. 3 In areas traditionally inhabited by substantial numbers of persons belonging to a national minority, the Parties shall endeavour, in the framework of their legal system, including, where appropriate, agreements with other States, and taking into account their specific conditions, to display traditional local names, street names and other topographical indications intended for the public also in the minority language when there is a sufficient demand for such indications.

Please comply

Your sincerely
